$30 EVERY WEEK PENSION PLAN IS TOPIC THURSDAY

Speaker Will Analyze Ballot Issue and Point Out Dangers

Scheduled to point out why the $30 every Thursday pension plan should not be favored, C. J. S. Williamson, Los Angeles, will be the speaker here this week on the November ballot measure.

He will speak in the Chaffey junior college auditorium at 7:30 p. m. He had been scheduled to speak in the Upland junior high school auditorium but the meeting place was changed so as to better accommodate Ontario residents and to have the use of a larger auditorium.

Mr. Williamson's presence here is sponsored by the First-Time Voters club of Upland, this group being recently organized by local young men and women. Max Hawkins, president of the club, will preside.

The general public is invited to learn more about the pension proposal. While Mr. Williamson is opposing the plan, it is expected he will carefully analyze the proposal so that his listeners may draw their own conclusions.

Mr. Williamson is employed by the Los Angeles chamber of commerce and he is devoting the pre-election months to speaking on the pension proposal.

65 Cars Fruit Is Added to Total of Shipments for Year

Citrus fruit shipments from this district last week totaled 65 cars, making the new total for the season 4,576½ cars.

Valencias formed the bulk of the shipments last week, although the lemon output was increased over the preceding week.

Boost in WPA Wage Scale Being Sought

Elimination of the discrimination in the WPA wage scale between this county and Los Angeles county is sought in a telegram to President Roosevelt and other officials and to Demomratic nominees for the principal California offices.

San Bernardino county Democratic central committee voted last night to send the telegrams, wording of which follows:

"We respectfully urge your earnest consideration and action regarding WPA wage discrimination existing between Los Angeles county and the Nineteenth Congressional district. San Bernardino county rate approximately 20 per cent below Los Angeles, while living costs here are higher. Immediate correction of this injustice essential."

Amnesia Victim Is Returned to Home

Identified as George Crane, the amnesia victim found in Upland Friday, has been returned to his home in Los Angeles. His wife learned of the man's whereabouts through Upland and Los Angeles police. She came to Upland late Friday for Mr. Crane.

On a previous occasion Mrs. Crane reported that Mr. Crane had lost his memory and had become stranded. She could give no explanation as to how he got to Upland.

He was f ound wandering on Foothill boulevard by Frank Blake last Thursday night and Friday morning and the latter called Upland police, who gave a description to Los Angeles police.

Sheppard To Make Tour of District

Announcement from Congressman Harry R. Sheppard's headquarters in San Bernardino is to the effect that the Congressman will make a tour of the 19th Congressional district that will take him into 33 towns of the district.

Mr. Sheppard, Democratic incumbent congressman from this district and candidate to succeed himself, will begin his speaking tour Sept. 30 at Chino. His schedule calls for another speech at Chino on Oct. 9.. He is dated to speak in Upland Oct. 10, Cucamonga on Oct. 13, and at Ontario on Oct. 26.

Europe, Pensions Suggested Subjects Civic Conference

European conditions and old age pensions have been tentatively selected as subjects for the annual civic conference to be held at Chaffey Nov. 1 under the sponsorship of the Upland Woman's club.

Mrs. L. A. Fox, club president, and Gardiner W. Spring, Chaffey president, conferred yesterday over the proposed program.

Outstanding lecturers will be asked to come here and lead the discussion on the all-day program. Hundreds of civic minded persons will also be invited. Near capacity crowds were here last year.

Spokesmen for each of the major European countries will be invited to discuss the situation as it will exist at that time.

Various proposals for the aged will also be discussed by competent advocates. Each lecturer will be followed by an open forum, according to tentative plans.

REGISTRATION TO CLOSE THURSDAY

November Election Only for Those Who Qualify by Registering

To vote at the November election all persons must be registered and Thursday is the last day for registration.

Mrs. Adelaide H. Plum, local registrar, and Judge Fred H. Jacobs, deputy, are prepared to serve all people in this district who have not as yet registered.

This announcement applies only to those persons who did not vote at the elections two years ago, who have not registered since then, to persons who have become of voting age and persons who have moved from one precinct to another.

Mrs. Plum will handle registrations at the chamber of commerce office and Judge Jacobs may be reached at 411 Eighth avenue.

P.-T. A. Council To Meet Wednesday at Upland Junior Hi

A full program of instruction, discussions and reports has been arranged for the first autumn meeting of Ontario P.-T. A. Council, it is announced by Mrs. Clem V. Svoboda, council president.

The meeting will be held Wednesday at the Upland junior high school, with the Upland Parent-Teacher association as hostess, and will be held from 10 a. m. to 2 p. m.

During the school of instruction discussions will be led by the membership, program and publicity chairmen.

Safety and standard association requirements will be the topics of other discussions and there will be a continuation of the reports of the last convention.

Luncheon will be served at the noon hour with the Upland P.-T. A. in charge. Reservations are to be made today with Mrs. Harold Snyder.

YOUTH SUFFERING SKULL FRACTURE

Hobart Stonecipher Injured in Alta Loma Crash—Condition Critical

Likely to recover from a severe fracture of the skull is Hobart Stonecipher, 9-year-old son of Mr. and Mrs. E. B. Stonecipher, Ontario. The youth is at the San Antonio Community hospital where his condition is reported as serious.

He was injured in an automobile accident at Nineteenth street and Haven avenue, Alta Loma, early yesterday morning. He wsa hurtled to the floor of the machine when the car in which he was riding was struck by a machine driven by Jack Cohen of Red Mountain. The lad was in the car with his parents, Mrs. Stonecipher being slightly injured. The father was at the wheel.

The Stonecipher machine was on Nineteenth and the Cohen car, going north on Haven, is reported by Officer Lewis Kronmeyer to have crashed into the Ontario car, hurtling the lad on his head.

GERMAN-DESCENT UPLANDERS GIVE VIEWS ON CRISIS

European Situation Is Likely To Be Settled Peacefully, Belief

Uplanders who have relatives in Germany and who know something of the European situation from personal experience believe the European powder keg will not be ignited during the current crisis.

Peace will be maintained and war will not be started Oct. 1, in the general opinion of J. K. Lichti, L. J. Horsch, Jacob Teuscher, Lewis Westerburg and others.

Mr. Lichti, who resides at 407 Tenth avenue, has many close relatives in Germany, some of whom would be called to the army, expressed confidence after listening to Hitler's radio address yesterday that a "way will be found to settle it without fighting."

PEOPLE WANT PEACE

The German people want peace, "just as Americans do. My people in Germany are apparently satisfied with conditions and the country as a whole is peaceful."

Mr. Lichti didn't need any interpreter to tell him what Hitler said. He easily followed the German leader's words and the public applause vividly depicted for him the setting in Berlin.

"Hitler's address was not for the German people, but it was for the world to learn of his position," explained the Uplander. "Hitler doesn't want war."

DIPLOMATIC GESTURE

Mr. Horsch, who teaches German, economics and banking at Chaffey junior college, heard only portions of the interpretation. He summed up the address as a diplomatic gesture.

"The German people are not looking for war," Mr. Horsch explained. "I have just received a letter from a cousin written Sept. 1, in which he indicated that the possibility of war was remote. The people are apparently unconcerned and are going about their daily work just as we are here."

Mr. Teuscher, 452 Campus avenue, frankly declared: "I don't believe there will be any war," but added, "I hope not anyway."

WAR SCARE SPREAD

He charged the metropolitan daily newspapers in this country with spreading the war scare and he expressed the belief the rank and file of the German people are for peace and that some way will be found to settle the trouble before the deadline is reached.

"As far as Germany goes—well, I speak the language but I am 100 per cent American," he said.

Lewis Westerburg, 1027 Euclid avenue, who visited Germany recently, added his expressions to the side of peace.

"I think this controversy will be settled without fighting," he said.

Annual Class Trip Being Planned by College Sophomores

Members of Beulah college sophomore class, accompanied by Dr. Henry G. Brubaker, president of the college, and Mrs. Brubaker, will leave Wednesday evening for the annual class trip. The group will motor to San Diego and, making their headquarters there, will visit the various places of interest in that area, their explorations including a trip across the border into Mexico.

In the party besides Dr. and Mrs. Brubaker, will be the Misses Dorcas Alderfer, Naomi Bohen, Edna Switzer, Dorothy Dohner and Emma Rosenberger, Maynard Book, Melvin Bowers and Ernest Dohner. They plan to return to Upland Saturday afternoon.

Turner Avenue Storm Drain Job to Start

New start on the Turner avenue storm drain is likely. The WPA has approved a $100,000 project for rehabilitating the thoroughfare, which is used as a storm drain during the rain storms. Size of the project may be cut down if county funds are not available.

The WPA will contribute $70,617 for the flood rehabilitation work while the county's share is $30,000.

The channel carries a large volume of water from the mountains through Cucamonga and south through the Ontario district.

Champion Farmerette Title Is Won By Alta Loma Girl

Title of champion farmerette of the west is today held by Hazel Drysdale of Alta Loma, who won in competition over 17 girls in the Los Angeles county fair on Saturday.

Milking faster than any other girl and churning butter fast enough to finish second, Miss Drysdale, 17 years of age, received the most points to get $48 in cash and a gold medal.

—E. Tweed Stone Photo
HAZEL DRYSDALE,
Of Alta Loma, who won the title of farmerette in contest at the Los Angeles county fair. She was first in two milking contests and second in the butter-churning contest.

She and her father, C. E. Drysdale, 757½ Third avenue, Upland, came here from Bolivar, Mo., three years ago. She is now employed by Mrs. Huber Kalbach, Hellman avenue, Alta Loma.

TWO CONTESTS HELD

Two milking contests were held, one on Saturday and one on the previous Saturday. Miss Drysdale won both of these contests, receiving $25 in cash prizes. The churning contest was held Saturday.

"In the milking competition each person was assigned a cow to milk," explained the champion. "At a signal we all started to milk for two minutes. Then the milk was weighed. In both milking contests I got more than any other person."

About the churning contest, the smiling Miss enthusiastically related that she was given a gallon of cream—as were all contestants. The contest was based on speed in getting butter and in efficiency in working out the moisture, and in neatness.

"After the cream is churned there is a lot of moisture in the butter that has to be worked out," explained Miss Drysdale. "Judges examined the butter to determine how well the moisture had been eliminated."

$15 GRAND PRIZE

Her second place in the butter contest netted $8. Total of all the points placed her above the other contestants and entitled her to the $15 grand prize, a medal and the distinction of being the champion farmerette.

Annually this contest has keen competition.

"My folks had a dairy in Missouri and I have milked almost all of my life," explained the winsome, dark haired champion. "I presume that is why I was able to win in this contest."

CITRUS MARKETING TO BE DISCUSSED

State Leaders Will Be At Chaffey Soon on Major Problem

Citrus marketing problems will be discussed at a conference in the Chaffey junior college auditorium on Thursday of next week. Arranged by the county agricultural extension service and sponsored by the citrus department of the Farm Bureau, the conference will feature outstanding leaders in the state's citrus industry.

"Factors Influencing Demand for Farm Products" will be discussed by John B. Schneider of Berkeley. "Citrus Transportation in Relation to Farm Prices" will be the subject of J. J. Deuel of the California Farm Bureau federation.

Harry Wellman, agricultural economist, will discuss "Fundamentals of Marketing Programs." Ivan McDaniel, attorney for the California - Arizona Marketing Agreement, will discuss operation of the program.

R. O. Price, president of the county farm bureau, will preside.

Young Democrats Meet Friday Night To Start Campaign

A meeting of the West End Young Democrats club will be held Friday evening at 7:30 in the Upland American Legion club house, it is announced by Eugene Nisbet, president of the club.

Reports of the state convention will be made, the constitution recently adopted by the County Council of Young Democrats will be read and plans will be made for launching an active campaign in this district for all Democratic nominees.

A meeting of the County Council will be held at the Olson headquarters in San Bernardino Wednesday evening.

Daniels Awaiting Hearing on Bogus Money Complaint

In the Los Angeles county jail, Bert C. Daniels of Upland is facing a charge of violating parole. He was arrested here last week after he allegedly had issued a counterfeit $5 bill.

Daniels was taken to Los Angeles for a hearing on the charge and for a court ruling on his parole. He was freed several weeks ago on parole, he having been arrested in May on a charge of passing bogus money.

Upland Eleven Is Trounced by Colton

Upland junior high school football team opened its scrimmage season yesterday afternoon, Colton's lightweight high school squad coming here. The visitors had the weight, power and scoring combination to give the local eleven a sound drubbing.

Starting for Ed Dean's junior high eleven were Dick Eden and Keith Gingerich, ends; Marion Brown and Jack Christensen, tackles; Richard Clark and Howard Roberts, guards; Jim Atwood, center; Larry Mertz, quarterback; Jim Benson and James Hogan, halfbacks and Dale Hewitt, fullback.

Canadian Pension Plan Is Discussed By Visitor

Reticient about discussing the scrip money plan in Alberta, Canada, V. C. French, a newspaper publisher, said here yesterday that "it wasn't popular, everyone tried to get rid of the paper money as soon as they could and it soon died because it wasn't practicable and was so unpopular."

Mr. French is in the Upland-Ontario district visiting relatives. He is a brother-lin-law of Mrs. J. S. Armstrong, Ontario.

Frequently the Alberta paper money plan, as it operated for three months, is compared with the proposed $30-every-Thursday plan for California. The Alberta (same as a state in this country) government issued the paper money as pay to employes of the highway department. Merchants having the money on Saturday were required to add a 1-cent stamp.

"Everyone tried to get rid of them as soon as they got the paper bills, the banks wouldn't take them as currency and eventually the plan became so unpopular it was dropped," explained the visiting publisher, who is also a prominent official in the I. O. O. F. lodge.

"The state government redeemed the paper bills. The plan was in effect only about three months. Principal officers in the Alberta government were elected on a promise to give as a pension to everyone over fifty $25 a month. For one reason or another the pensions were never realized and the scrip money was introduced as an experimental plan just to start something."

Mr. French, whose home town is Wetaskiwin, said that Canadians were following very closely European developments.

CANYON ROAD IS GIVEN COVERING TO MEET DEMAND

Traffic to Resorts Large and L. A. County Adding Oil Surface

As the result of continued use of the new road into San Antonio canyon by hundreds of motorists, the recently completed temporary road is being given a harder and smooth surface by Los Angeles county workmen. At the same time San Bernardino county is rapidly building the canyon highway from Camp Baldy to Ice House canyon.

Of dirt surface on July 30, the temporary road over most of the distance now has an oil covering. Work will be continued until the road leading to the resorts will be almost as permanent as that washed out by the March flood.

Four hundred and seventy-five automobiles were checked over the highway during the week end, this being considered an unusually large number for this season of the year.

Since the new highway was opened July 30 many improvements have been made to the road as well as to the resorts in the canyon. Bear Canyon lodge and Snowcrest camp are being enlarged and improved to meet the public demand. Camp Baldy is also being operated and is serving many vacationers.

W.R.C. Committee On Building Plans To Meet Thursday

Members of the W. R. C. building committee met this morning at the home of Mrs. Laura Holsclaw, 304 West H street, Ontario, to discuss plans for the proposed new building, one more plan having been presented for consideration.

Since some of the committee members were absent, no definite decision was reached and the committee is called to meet again Thursday evening at 7:30 at Mrs. Holsclaw's home.

Dr. Robert Stone Talks on Historic Things at Idyllwild

It is a great thing to be able to recognize and appreciate the historic lore and the wonders of nature—and it is a still greater gift to tell about them in a fascinating manner that makes them intensely interesting to other people. Such is the talent possessed by Dr. Robert C. Stone, pastor emeritus of the Upland Presbyterian church.

The past summer Dr. Stone served the church at Idyllwild as pastor and during that time he took advantage of the opportunity to delve into Indian lore of that section of the San Jacinto mountains, which he informed Upland Rotarians and guests today noon at their meeting in the Upland Inn, is the richest in Indian lore of any section of Southern California. He enumerated Indian relics to be found there, including many mortars, and the painted rocks bearing the ancient Indian hieroglyphics, which have attracted there learned ones from Yale university, Smithsonian Institute and other noted institutions.

It is not surprising that Dr. Stone was disappointed to learn that residents of the Idyllwild district knew little or nothing about most of the historic things which are so numerous there, a number of which he hiked to and discovered for himself. Even Sky Eagle, Indian chief, did not know where to find the painted rocks, mortars, etc. In his talk Dr. Stone pointed out the advantage that Idyllwild would gain by capitalizing on these things and expressed his astonishment when he came upon a number of the mortars to find them surrounded by rubbish heaps and those near there knowing nothing of their whereabouts. He concluded his talk with a true story, "The Tragedy of Jimmie," a lad of three or four years who has been attending Sunday school at the Idyllwild church during the past summer.

Tweed Stone, son of the speaker, was program chairman, and secured his father to speak after the scheduled speaker had notified him he could not be present.

R. G. Manley, club president, presided at the meeting.

Preceding Dr. Stone's talk, President Manley paid a fitting tribute to Austin Burt, Ontario city manager, who died suddenly Sunday, and requested Mayor George Weldon of Ontario, who was present at the meeting, to convey the message to the Ontario city council and all Ontario residents.

20 Wineries Ready To Begin Crushing Large Grape Crop

Twenty wineries in the district from here to Fontana are today getting ready to crush the biggest crop of grapes ever handled since the grape industry was placed on a large scale basis.

Before another week ends it is expected the wineries will be operating at their peak production. Crushing will continue most of the time from now until late in December.

In the county are 50 wineries, some of them big and some of small capacity, accordinng to Webster Thomas, local representative of the California prorate committee.

Grapes for the wineries will be purchased from local vineyards.

The picking that has been done already is to supply orders outside this district. The crop is much larger than last year and concern is being expressed as to what will be done with the surplus and as to what will be the price paid the growers.

M. A. BLANEY WINS 42 FAIR PRIZES

Uplander Takes Many Awards In Three Divisions of Exhibition

M. A. Blaney, 242 West Ninth street, won so many prizes at the Los Angeles county fair, he ought to get some kind of an Upland prize for so widely advertising the community.

He won 42 prizes and this total is reported to be among the largest won by any individual at the fair. Annually taking many awards in the duck division, Mr. Blaney this year maintained his usual record with these birds and also won prizes with chickens, vegetables, fruit and agricultural displays. His Pekin ducks took 17 prizes, many of them being firsts. Three prizes were won by his chickens and his display of farm and garden products won 22 awards, 12 of these being firsts.

He maintains a small acreage on which he produces many crops.

Other local exhibitors in the poultry division were L. N. Kirk, who took off almost all the awards in the Red Leghorn division, winning seven special prizes as well as five firsts and two seconds. Roy Franklin with entries of Buff Rock chickens won five firsts, two seconds and a third. R. W. Gage received many ribbons for his entries of Wyandotte chickens.

Reports on other Upland winners at the fair will be given on Friday in The Upland News.

Mrs. Cecilia Lawson Is Ill at Hospital

Mrs. Cecelia Lawson is at the San Antonio Community hospital for medical attention and it is expected she will soon be able to return to the home of Mr. and Mrs. George Stamm, with whom she has been staying in recent months.

She is the mother of Norman Lawson, who is in Europe.

CARL HOLMER NAMED AS ACTING MANAGER

Ontario Acts in Emergency Caused by Death of Austin Burt

Carl Holmer was named acting city manager for Ontario by the city council last night. He has served as city engineer for many years and has worked closely with Austin W. Burt, the late city manager.

Meeting briefly to handle only business that needed immediate attention, the Ontario council named Mr. Holmer as acting manager pending appointment to fill the vacancy caused by Mr. Burt's sudden death.

Just before adjourning the council arose and paused briefly in memory of the prominent city official.

WORK STARTS ON SECOND UNIT OF CHAFFEY BUILDING

Additional Facilities Likely if Enrollment Gain Continues

What was expected to be the final major construction project in the current building program on the Chaffey campus is under way today.

Due to the big increase in enrollment in the Chaffey high school and junior college and due to the possibility for continued growth in the immediate future, an additional building program may be needed, it was indicated this morning.

TO FACE ON FOURTH

The final structure in the current building program is the second unit of the science building for the high school. First unit of this structure at Euclid avenue and Fourth street was occupied for the first time this month. The second unit will face Fourth street, forming the south link in the "L" shaped structure.

Construction of the building will not be pushed due to several other WPA campus projects.

President Gardiner W. Spring said the structure will not be completed for classroom use until 1940.

"While this is the last building planned at present, we are interested in providing sufficient classroom facilities for the future so that no bond issues will be necessary," Mr. Spring said.

STUDENTS INCREASE

He pointed to the fact the junior college enrollment is now 20 per cent over the 1937 figure and that the high school attendance is more than 100 students ahead of last year.

"If that increase continues more buildings will naturally have to be erected," he continued. "We hope to provide sufficient buildings through federal support without having to call for a bond issue to erect the facilities."

Contributions for Flood Sufferers in East To Be Received

Mrs. Mary Eckerman, president of the Upland chapter, American Red Cross, states that a number of Uplanders have signified their desire to contribute to the aid of sufferers in the recent flood in the extreme east part of the country. Those who have been keeping in touch with the terrible results of the eastern disaster know that hundreds of persons were killed in the catastrophe, many others injured and that the loss in property damage has run well into the millions of dollars.

Arrangements have been made with the two Upland banks so that contributions of cash may be left at either bank by those desiring to help their fellow Americans in their time of great need. Residents of our community will not soon forget the floods of last spring and the loss of life and widespread damage in this territory resulting therefrom—and it is anticipated a number here will gladly contribute to help the eastern sufferers.

Leave your contribution at the First National bank or the Upland branch, Bank of America.

Lafayette Adams in Critical Condition At Local Hospital

Lafayette Adams, owner of the Adams grocery store at 161 North Second avenue and a resident of Upland for many years, is seriously ill in the San Antonio Community hospital.

Mr. Adams suffered a paralytic stroke during his sleep at 3 o'clock Saturday morning and was taken to the hospital Saturday night when his condition became critical. His right side is affected and he has been unable to speak since the sudden attack, but he gave indications of recognizing Mrs. Adams and their daughter yesterday. There seemed to be a slight improvement in his condition today.

The daughter, Mrs. O. B. Francis, her son-in-law and daughter, Mr. and Mrs. T. R. O'Hair and another daughter, Mrs. James Williams, all of Parker, Ariz., are here. A message has been sent to a son, Frank Adams, in Gilroy, and he is believed to be enroute to Upland.

Employment Relations Initiative

There are two main features of the employment relations initiative to be presented to the voters of California at the general election on Nov. 8. These are: reasonable regulation of picketing and reasonable regulation of the boycott.

There is only one restriction on the right to strike appearing in the proposal—the prohibition of the sit-down strike. This proposed law does not prohibit employes from striking at any time—for any reason they may consider sufficient, but it does regulate what acts they may do in connection with a strike.

Picketing may be employed only in furtherance of a strike solely over wages, hours and the physical conditions of employment—and a majority of the employes may appoint some of their own number to picket. Picketing for the purpose of influencing any person to become a member of a labor organization, or for the purpose of inducing any person to employ or refrain from employing any person or class of persons is expressly forbidden. Picketing to secure closed shop or to compel reinstatement of discharged employes is forbidden.

Because, under the proposal, picketing is limited to strikes solely over wages, hours and the physical conditions of employment, this would also exclude picket lines in furtherance of strikes for union recognition, the hiring hall, shop stewards, the right of business agents to visit premises and other demands primarily intended to benefit the union as distinguished from the employes themselves.

Pickets are limited to one to each entrance and shall not be less than 25 feet apart, unless the total number of pickets does not exceed two, in which case these restrictions are waived.

Pickets are limited to patroling on foot, the wearing of an arm band, and carrying a banner 2 feet by 3 feet, which may contain a statement that a strike is in progress at the place picketed and additional matter if true and not misleading.

Except as outlined, all other picketing is forbidden.

The boycott provisions declare that it shall be unlawful for two or more persons to combine to influence or induce any other person from purchasing, receiving, handling, working on, transporting or delivering any goods for the reason that an industrial controversy exists. The secondary boycott and the "hot cargo" practice are prohibited. However, employes on strike over wages, hours or physical conditions of employment may request others personally not to patronize their employer. They or their union may peacefully persuade fellow employes to join in the strike and may picket as provided.

Strengthening the "hot cargo" clause the act provides that it shall be a just cause for discharge for any employe to refuse to receive, handle, work on, transport or deliver any goods for the reason that an industrial controversy exists. Other provisions prohibit intimidation and coercion to compel persons to join unions, or to refrain from entering, patronizing or working at any place of business—or to grant any other demand in connection with an industrial dispute.

Finally, the act prohibits blocking or obstructing any entrance or approach to any place of business and further prohibits slowing, stopping or impeding the progress of any vehicle or conveyance in connection with an industrial dispute—or to induce the driver to refrain from delivering goods, or to become a member of a labor organization.

The whole purpose of the proposed act is to limit the parties to an industrial dispute to the employer and his employes. It is impossible to over emphasize the importance of the provisions as stated therein. When this is accomplished we will have collective bargaining more nearly as it should be. The struggle at this time is not between the employer and those in his employ—not even between employer and a single union, but between the employer and all unions in any way handling his product. In many instances there would be no strikes if they were not promoted by others than employes—and numerous strikes would be more easily and more quickly and fairly settled if the decision rested with the employers and employes. Things cannot go on forever as they have for years past in this regard—and by voting this act into law in November the people of California will be setting a good example for the voters of other states in the Union.

Californians are said to be the world's champion motor tourists—and now Wyoming reports that California cars lead the parade in touring to Yellowstone and Grand Teton national parks and other parts of that state. Records of previous years also show that California cars were greatest in number among all tourist vehicles from various states and countries entering practically all national parks of the west. Californians paid $20,990 in gasoline tax in that state—and 40,000 park visiting Californians traveling in 13,868 automobiles spent more than $556,000 in Wyoming last year. Thus it will be seen that while California benefits greatly from the number of tourists visiting this state each year Californians spend a large sum of money in other states in return.

Some time this month—so we have all read—those five little girls up at Callander, Ontario, are all going to have their tonsils removed. That's the word that has come from the Dionnes—and to millions of people that is an interesting bit of news that puts far in the background such trivial things as the foreign crises. It's nothing new to hear of murder, arson, kidnappings, purgings in politics, etc.—but when all five of the "Quints" go under the knife and have their tonsils taken out most of the world will wait in great anxiety to learn the result For—so far as is known—there has never before been such an event as quintuplets all forced to undergo tonsilectomies at the same time. Thus the most talked of youngsters in the world continue to attract attention.

—o—

Over in Hankow, so we read, girls as young as fifteen are being sent to school to learn how to be spies. It is also said that their instructors pick the most beautiful, intelligent and resourceful young women for that purpose. What a tragedy—little girls who should be learning how to cook and keep house and prepare themselves for a full and happy life being taught the intricacies of deception, intrigue and espionage! Can you conceive of such a thing in the United States? Perhaps they couldn't over in China not so long ago. Such a condition is a great tragedy wherever it exists.

Notes of Society

Two Addresses Given At Wesleyan Bible Class Meeting

Two interesting and particularly informative addresses were enjoyed by members of the Wesleyan Bible class of the Methodist church Friday, when they gathered at the home of Mrs. D. C. Sutton, 1495 North Mountain avenue.

A contributed dish luncheon was served at the noon hour, the guests gathering at tables graced with choice roses and dahlias, and the same flowers were used in the decorations throughout the rooms.

Following the luncheon, Mrs. H. O. Henderson, president of the class, opened the meeting and a short devotional service was held. Because the class was to have the privilege of hearing two speakers, no business session or other program was held.

In a timely discussion of the Czechoslovakian situation, Mrs. W. F. Goodban gave an outline of the history of that harassed nation and explained the causes of the present controversy with Germany that has brought Europe to the verge of war.

Mrs. Goodban distributed maps among her audience in order that each one might follow as she discussed the present boundary lines and indicated the probable changes that Germany's demands may bring about.

The class members and their guests were deeply interested in Mrs. Goodban's address and at its conclusion a general discussion was held and many questions were asked.

The other speaker was Dr. Lillian F. Baxter, chairman of juvenile delinquency for the San Bernardino County Federation of Women's clubs. For a number of years Dr. Baxter has taken an active interest in the work of the juvenile court in San Bernardino, often attending the court sessions and personally contacting the children brought before the court. Dr. Baxter discussed the youth of today, and she also gave the class much information concerning juvenile delinquency in the county, some conditions pointed out causing her audience much surprise. Many questions concerning the juvenile court work were asked during the discussion that followed Dr. Baxter's talk.

Hostesses for the meeting were Mrs. Sutton, Mrs. Mary Eckerman and Mrs. Mary Cadnum. Other in attendance were the Rev. and Mrs. Samuel Hughes, Mr. and Mrs. W. F. Goodban, the Rev. and Mrs. Joshua Bacon, Dr Lillian F. Baxter, Mrs. Rynn, Mrs. H. O. Henderson, Mrs. Mary Eastlack and her sister, Mrs. R. D. Moulton; Mrs. J. B. Cole, Mrs. Geo. R. Crane, Mrs. Oscar Gaither, Mrs. Eldora Beale, Mrs. Luella Genung, Mrs. Louise Wilson, Miss Lillian J. Williams, Mrs. Mary Waterman, Mrs. S. E. Couch, Mrs. Alfred Schneider, Mrs. Etta Johnston, Mrs. L. F. Williams, Mrs. Alice Erixon, Mrs. J. B. Ford, Mrs. L. E. Moser, Mrs. T. Roscoe Sales and Mrs. T. I. LaPlant.

District Deputy Pays Official Visit to Rebekah Lodge

Official visit of the district deputy president, Mrs. Martine Bailey of Pomona, was the occasion for a large attendance at the regular meeting of Silver Link Rebekah lodge, held Friday evening in the I. O. O. F. lodge hall.

A contributed dish dinner was served early in the evening and the lodge meeting was opened at 8 o'clock by the noble grand, Mrs. Robert Miller, and the routine business was transacted.

Mrs. Bailey, who was accompanied by her district deputy marshal, Mrs. Marion Trobee, also of Pomona, made an inspiring address and performed her official duties with impressive efficiency.

Both Mrs. Bailey and Mrs. Trobee were presented with handsome gifts by the lodge.

At the conclusion of the lodge session a social hour was enjoyed and refreshments were served.

The hostess committee included Mrs. Edw. G. Luke, Mrs. Amos C. Burkholder and Mrs. W. E. Walk.

Suggestions for holding a hard times party later in the fall were considered during the lodge session, but no definite plans will be made until the next meeting.

Church Dinner To Be Delightful Event Friday Night

With the thought of making a delightful social event of the benefit dinner to be given Friday evening in the dining hall of the Presbyterian church by Mrs. D. E. Myers' section of the Woman's association, the committee in charge is planning to celebrate everybody's birthday.

The dinner tables, each in charge of a special hostess, will be decorated to represent the months of the year and the guests will be seated according to their birth month.

As one of the merry features of the program each table group will be required to contribute some specialty, a number of which will be amusing stunts.

Other entertainment features are being arranged by Mrs. Earl H. Johnson.

The table hostesses, by months, will be: Miss Ethel Hart, January; Mrs. Fred J. Scott, February; Mrs. Harold Snyder, and Mrs. Roy Eells, March; Mrs. H. W. Bovee, April; Mrs. Geo. S. B. Ferguson, May; Mrs. Carrol Johnson, June; Mrs. J. W. McDonald, July; Mrs. Minnie D. Goodrich, August; Mrs. Merrill H. Moremen, September; Mrs. Anna Wallace, October; Mrs. R. C. Stone and Mrs. Arthur Pehl, November, and Mrs. W. K. Beattie, December.

Reservations may be made with Mrs. D. E. Myers, Mrs. H. S. Bailey, Mrs. H. M. Guy, or with any of the table hostesses.

San Antonio Chapter Hears Address at First Session

Gathering for their first meeting of the new year, a large number of members of San Antonio chapter, Daughters of the American Revolution, enjoyed a pleasant social session Monday afternoon and also had the pleasure of hearing a splendid address on the Constitution of the United States.

The meeting was held at the home of Mrs. C. S. Traphagen, 123 East H street, in Ontario.

Mrs. Frederick W. Wikoff, new regent of the chapter, presided, and Mrs. Don E. Palmer conducted the devotional service, making an inspiring plea for peace.

Mrs. W. F. Goodban was presented as the guest speaker and she held the close attention of her audience as she pictured the background against which the Constitution was written. The viewpoint of the people in the early days of the nation's life was explained by Mrs. Goodban as she analyzed various phases of the Constitution.

At the conclusion of the address the hostess committee served light refreshments and a social hour was enjoyed.

Attending the meeting were Mrs. Frederick W. Wikoff, Mrs. Carroll C. Hamilton, Mrs. Guy Underwood, Mrs. Walter Gist, Mrs. L. E. Coon, Mrs. J. F. Hamilton, Mrs. Josephine C. McGehee, Miss Anna Hamilton, Mrs. C. S. Henderson, Mrs. Marie Jesson, Mrs. Harry I. deBerard, Mrs. Henry Olson, Mrs. Harry N. Petch, Mrs. Frank L. Allen, Mrs. W. D. Ball, Mrs. Everett W. Henry, Mrs. L. R. Nichols, Miss Elsie Hamilton, Miss Tessie Bennett, Mrs. Alexander Grant, Mrs. A. R. Gemmel, Mrs. Archie L. Moore, Mrs. O. K. Granger, Mrs. J. L. Short, Mrs. W. J. Hutchinson, Mrs. Ernest Merckling, Mrs. Smith, Mrs. H. E. Spies and Mrs. Traphagen.

Podrasnik Dinner To Be Held in Memory Of Late Veteran

Continuing a custom practiced for many years by the late Alois Podrasnik, commander of Ontario G. A. R. post, the Civil War Veteran's son-in-law and daughter, Mr. and Mrs. Warren H. Wass, who reside in the parental home on San Antonio Heights, will entertain at dinner at Red Hill Country club on Oct. 7, commemorating Comrade Podrasnik's birthday.

Invitations are being extended to all members of the patriotic orders allied with the G. A. R., they being the Woman's Relief corps, Mary Brainard tent Daughters of Union Veterans of the Civil War, Alois Podrasnik camp Sons of Union Veterans, and the Woman's Auxiliary to the Sons of Veterans.

The program for the occasion is being arranged by Mrs. Dwight G. Gorham, president of the corps.

Annually, for many years before his death, which occurred last year shortly before his ninety-third birthday, Commander Podrasnik celebrated his birthday anniversary by entertaining members of the allied patriotic orders with a noon day dinner. The dinner this year is being given by his son-in-law and daughter in tribute to his memory.

Upland Woman's Club Executive Board Meets Monday

October business meeting of the executive board of the Upland Woman's club will be held Monday morning at 9:30 in the club house, it was announced this morning by Mrs. Lloyd A. Fox, club president.

The meeting will begin at 9:30 and regular club affairs will be given attention.

The first tobacco tax under the internal revenue system of the United States went into effect in 1862.

Miss Helen Guy and Dick Winslow Johnson Exchange Vows in Ceremony Held in Upland Presbyterian Church

With the beautifully decorated sanctuary of the Upland Presbyterian church as the setting, a wedding of interest to a wide circle of friends throughout Southern California occurred at 8:30 Friday evening, Sept. 23, when Miss Helen Guy, daughter of Mr. and Mrs. H. M. Guy of 1388 North Euclid avenue, became the bride of Dick Winslow Johnson, son of Mr. and Mrs. Sidney K. Johnson of Los Angeles.

Extending the length of the pulpit rostrum a bank of greenery formed the background for three large sunburst bouquets of white and pink larkspur and blue delphinium, placed on standards of graduated height, while complementing the floral arrangement were four tall white candelabra bearing white cathedral candles. Sprays of white larkspur with bows of white satin ribbon were attached to the pews, marking the aisles along which the bridal party passed.

Mrs. Earl H. Johnson of Upland, director of the church choir in which the bride formerly sang, presided at the organ, playing a group of selections as the guests were arriving. Mrs. Johnson also accompanied the vocalists and played the marches, the "Bridal Chorus" from Wagner's "Lohengrin" as the processional, and Mendelssohn's "Wedding March" as the recessional.

"I Love You Truly," selected both because it is a beautiful song and because its composer, Mrs. Carrie Jacobs Bond, was among the guests, was sung by Robert Long, baritone, of Los Angeles. Richard Dennis, tenor, of Hollywood, sang "Yours Is My Heart" and "Liebestraum" (Dream of Love).

Leading the bridal party were four junior bridesmaids, Miss Phyllis Hoeppner of Los Angeles, cousin of the bride, and the Misses Seessel Ann, Carmencita and Camilla Johnson, sisters of the bridegroom. They wore identical frocks of pale pink chiffon, made with puffed sleeves and long, full skirts and each one wore in her hair a cluster of pink sweet peas and a sprig of blue delphinium. They carried lighted candles with which they lighted the candles in the candelabra, and took positions in the rear of the altar.

Serving as bridesmaids were Miss Gloria Foss of Upland, Mrs. Ellis J. Zander of Pomona, Miss Dorothy Harden of Los Angeles, and Mrs. Marion Coltrin of Tucson, Ariz. They, also, were dressed identically, wearing gowns of Olympic blue chiffon, fashioned with full, floor length skirts, high bodice, puffed sleeves and square neck line. Each wore as her only jewelry a gift from the bride, a silver locket attached to a fine silver chain and set with a blue stone matching the dress. Very small Olympic blue feather hats were worn and they carried muffs of pink sweet peas.

Attending the bride as maid of honor was her sister, Miss Esther Guy, wearing a gown of pale blue chiffon, fashioned similarly to those of the bridesmaids. Her small feather hat matched the color of her gown and she carried a muff of dark blue cornflowers. The stone in her silver locket was the color of the cornflowers.

The bride, accompanied by her father, who gave her in marriage, was lovely in a gown of white satin, cut with V-shaped neck line and a bodice formed of folds of white satin and outlined with rosebud braid. Tiny satin buttons trimmed the back of the bodice and the puffed leg o' mutton sleeves extended into points on the hand. A veil of white silk net attached to a halo headdress outlined with rows of seed pearls, fell in soft folds the full length of the gown's long train. A very full over-the-face, inset veil enhanced the beauty of the completed costume and the bride carried a bouquet of white orchids and lilies-of-the-valley.

The bridegroom was attended by his brother, Sidney Kenneth Johnson, Jr., of Los Angeles, as best man, both being attired in full dress, and the ushers were Morey Amsterdam, George Offerman, Jr., Johnny Heinz and Johnny Downs of Hollywood, Ted Repay, Bill Aber, James Talbert and Harold William Roberts of Los Angeles.

Payne Johnson, youngest brother of the bridegroom, served as ring bearer, carrying the ring on a white satin pillow. Another younger brother of the bridegroom, Cullen Johnson, bore the white Bible.

The officiating ministers were Dr. R. C. Stone, pastor emeritus of the Presbyterian church, and the Rev. Rex E. Lawhead, pastor. The single ring ceremony was used.

More than 200 guests witnessed the wedding, among them being many motion picture and radio performers from Hollywood and Los Angeles.

A reception for all the guests was held at Red Hill Country club, which was beautifully decorated for the occasion. The guests were received by Mrs. Guy, mother of the bride, wearing a gown of royal blue cut velvet and a matching velvet hat, and Mrs. Johnson, mother of the bridegroom, wearing a gown of rose lace and matching hat. Both wore corsages of gardenias. Also in the receiving line were Mr. Johnson, Mr. Guy, the bride, bridegroom and members of the bridal party.

A handsome wedding cake, surrounded by candles, the gift of a friend, was cut by the bride. Presiding at the refreshment tables were Mrs. R. C. Norton, Mrs. E. O. Bowden, Mrs. William Atchley, Mrs. Edna M. Brown, Miss Hulda M. Runge and Mrs. F. H. Hoeffner, the latter an aunt of the bride from Los Angeles.

Mr. and Mrs. Johnson left at once for San Diego, the bride wearing a three-piece tweed suit with red fox fur collar and dark green accessories. They are spending their honeymoon in the southern city at the beautiful home of Mrs. Carrie Jacobs Bond, placed at their disposal as her guests.

The bride is a graduate of Chaffey high school and junior college, where she was active in music and dramatic circles. She later completed her music course at the University of Southern California in Los Angeles, where she became a member of Alpha Gamma Delta sorority. While at the university she was manager of the Trojan Girls Glee club and soloist for the organization and also with the Trojan band. She also was a member of the late John Smallman's a cappella choir in the university and co-manager of the choir. For the past year she has been employed in the office of the St. Paul Fire and Marine Insurance Co. in Los Angeles.

Mr. Johnson, better known on screen and radio as Dick Winslow, also attended the University of Southern California, affiliating with Delta Chi fraternity. In his early youth he was a child star in radio entertainment and motion pictures and in recent years he has appeared in various popular pictures. He also is an accomplished musician and orchestra leader and conducts his own band. He has also been a member of and a soloist with the Trojan band for several years.

Many congratulatory telegrams came from actors of the cinema, stage and radio who could not be present at the wedding, including one from Mary Pickford, who is in New York and with whom Mr. Winslow worked in a number of pictures in his juvenile days, and Georgie Taps, one of the most versatile dancers of stage and screen, now appearing in a New York stage play.

Mr. and Mrs. Johnson will reside in Los Angeles.

Club Women To Attend District Meeting At Redlands

Several members of the Upland Woman's club, including the president, Mrs. Lloyd A. Fox, are planning to attend the meeting to be held by the executive board of the Southern district, California Federation of Women's clubs, to be held Friday at Redlands.

The meeting will be held in the Contemporary club house and will begin at 10 a. m., with Mrs. David A. Fraser of San Diego, district president, presiding.

Important business, reports, round table discussions and addresses will be included in the day's program. Mrs. Fraser has announced the interesting topic, "Concern Yourself With Today" as the theme of the meeting.

Among the Upland club women who have signified their intention to attend the meeting are Mrs. Fox, Mrs. L. R. Bradley, Mrs. W. F. Goodban, Mrs. Frank C. Buffington, Mrs. Emily J. Austin and Dr. Lillian F. Baxter.

Mrs. Zenz Joins Gold Star Mothers in Special Event

Mrs. Anton Zenz returned home Friday after spending nine days attending the state and national conventions of the American Legion Woman's Auxiliary, held in Santa Monica and Los Angeles, respectively.

Mrs. Zenz, who has just retired as president of the Upland Auxiliary unit, is a gold star mother and she had the privilege of participating in several special courtesies extended to the approximately 350 gold star mothers attending the national convention.

On one occasion these specially honored Auxiliary members were guests of Jeanette McDonald, famous screen and radio singer, who was hostess at a tea given at an M. G. M. studio in Culver City. The motion picture set was arranged as a beautiful garden and made an attractive place for the tea party.

A number of other events were held for the gold star mothers and on one occasion traffic was halted as they were taken through the streets with a motor police escort.

Mrs. Zenz at one time was president of the Gold Star Mothers chapter in Los Angeles and during the convention she had the pleasure of meeting many of her former fellow members and friends.

Mr. and Mrs. Robert Kesner, son and daughter-in-law of Mrs. Claude Arthur, left Friday for Wichita, Kan., where they will make their home. Mrs. Kesner formerly lived in Wichita and has a number of relatives there.

Mrs. Marion Coltrin, who was a member of the bridal party in the Guy-Johnson wedding, returned Saturday evening to her home in Tucson, Ariz., after spending about two weeks with her parents, Mr. and Mrs. E. O. Bowden, 779 West Seventeenth street.

Dick Highsmith, son of Mrs. Novella Highsmith, who is making a bicycle tour of Europe with a group of friends, probably is now in Berlin, according to a letter received Monday by his mother. The boys had toured the British Isles and on the day the letter was written were sailing from Hull for Amsterdam, with Berlin as their next immediate objective.

Little David Farmer, son of Dr. and Mrs. W. R. Farmer, is showing encouraging improvement today, it was stated this morning by Mrs. Farmer. The little boy has been very ill for the past 27 days and is under treatment at the San Antonio Community hospital, where he has undergone two operations for a localized infection in his leg. Many friends of the family and of curly-headed David have made inquiries concerning his condition.

J. A. Macy of La Jolla, whose wife passed away about 10 days ago, and his son, Spencer Macy, who flew from South America to be with his mother for several days before her death, came up from San Diego Sunday to visit the elder Mr. Macy's brother-in-law and sister, Mr. and Mrs. H. J Clewett on San Antonio Heights. Other relatives who came here to spend the day with them, were Mr. Macy's mother, Mrs. S. J. Macy, Mr. and Mrs. Irvin Macy and daughter, Rita, and Mr. and Mrs. H. C. Scott and daughter, Zelma, all of Elsinore; also Mr. and Mrs. Raymond W. Clewett (Hazel Royer), son and daughter-in-law of Mr. and Mrs. Clewett, from Palms. Spencer Macy has sent for his wife to come up from South America and they will reside in San Diego.

EARLY SEASON WIN FOR CHAFFEY J.C.

Panthers Block Punt, Score 7 to 0 Victory Over U.C.L.A. Frosh

Things are looking up at Chaffey.

In defeating the U. C. L. A. frosh 7 to 0 Friday night, the junior college Panthers conquered a powerful team, displayed brilliant offensive possibilities and held a versatile Uclan passing and running attack.

Mid-season form wasn't expected by the Panther fans in the first game, but that is just about what they saw. Terry, a fast, hard-running half, had about all that could be expected of a jaysee ball toter, and Shoji, the fleet-footed ex-Chaffey high school star, turned in a brilliant record as a substitute.

THEY HAVE "IT"

What some of the previous Panther teams lacked, the 1938 edition had Friday night. The players had fight and enthusiasm that lasted during 60 minutes of play.

Getting off to a good start is a big help. The score came in the first quarter. Then, if getting off to a good start means something, the early season victory ought to be a factor in the remaining games.

Henry Van Ginkle, left tackle, is responsible for the Chaffey score. With the frosh visitors punting on their 30-yard stripe, the husky, fighting lineman broke through to block the punt and then to flop on the ball in the end zone.

COACHES MAKE HIT

The Panthers showed the effects of good coaching. John Meek, the Upland addition to the staff of mentors, apparently added enough to the backfield training to make the Panther ball carriers always dangerous. Jack White is another assistant to Head Coach Bert Heiser. The trio of mentors have done something to the Panthers.

The Chaffey team opened with this lineup: Flannes and Bowman, ends; Van Ginkle and Warwick, tackles; Workman and Lugnbill, guards; Kelly, center; Brooks, quarterback; Terry and Seay, halfbacks, and Christensen, fullback.

13 SUBSTITUTES

Not because these 11 men didn't perform capably but because the coaches wanted to test out the replacements, 13 other Panthers saw action. Chaffey's performance differed very little, whether it was the first stringers or the substitutes who were on the field.

The backfield replacements included Shoji, Utman, Reynolds, Francis, Curtis, Henson and Morrison. Other players on the line were Corn, Harrison, Hayes, Speer, Southworth and Van Beek.

H. H. Thomas, prominent Cucamonga resident, is at the San Antonio Community hospital for medical attention. His condition is reported to be not serious and he is there for rest, treatment and observation.

W. M. Owen, 908 East Nnth street, suffered a heart attack at his home Sunday, but he was reported to be much improved today. He was rushed to the San Antonio Community hospital. He was returned home yesterday.

L. E. Bladine of McMinnville, Oregon, president of the Oregon Newspaper Publishers association, was a visitor today at The Upland News office. He is publisher of the McMinnville Telephone Register, one of the best weekly newspapers in the neighboring state. With Mrs. Bladine he is visiting at the home of Mr. and Mrs. F. E. Hoyne, Ontario.

A group of Upland relatives enjoyed a pleasant outing on a recent day. Mrs. Florence Stamm and her daughter, Mrs. Owen Davis and daughter Donna Lee Davis, Mrs. Minnie Davis and her daughter, Mrs. R. C. Cadnum and two children of Alta Loma, motored to Corona Del Mar for a beach picnic. The men of the families, leaving early in the morning, spent the day deep sea fishing. The two groups met at the beach in the evening and returned home together.

Mr. and Mrs. Harold Anderson and three children, of 110 North Grove avenue and Mrs. Mattie Olson of Ontario will motor to the desert Saturday to visit with relatives. Mrs. Olson will stop in Ludlow to visit with her son-in-law and daughter, Mr. and Mrs. Fred Anderson, while the Anderson family will continue to Amboy to visit with Mrs. Anderson's mother, Mrs. Martha Funk. On Sunday the relatives will gather at the Anderson home in Ludlow for a birthday dinner in honor of Harold Anderson and Mrs. Fred Anderson.

SOCIETY

Eastern Star Party Is Merry Affair

Drawing a large attendance of both members and friends of the chapter, the benefit card party given last evening by Upland chapter, Order of Eastern Star, in the Masonic lodge hall, was a delightful occasion.

During the earlier part of the evening bridge tourneys, both auction and contract, and Chinese checkers were enjoyed, 12 tables being occupied by the players. There also were a number who did not care to play and others purchased tickets who could not attend, making the party a financial as well as a social success.

A number of various prizes were awarded at the conclusion of the games.

Buffet refreshments were served, the table being centered with a bouquet of choice asters.

Mrs. Francis S. Wagner was general chairman of arrangements and she was assisted by Mrs. J. J. Wortham, Mrs. Agnes Hawkey, Mrs. A. C. Smithburn and Mrs. Arthur Relph.

A number of guests were present.

Willard S. Bennett, Brother Mrs. Tracy, Dies During Sleep

Apparently dying as he slept, Willard S. Bennett passed away Saturday night at the home of his sister, Mrs. J. H. Tracy, 2162 North Euclid avenue.

Mr. Bennett had attended the naval demonstration held Friday off the Wilmington coast, and complained of being very tired when he returned home, but told of greatly enjoying the naval spectacle. He retired early and shortly after 1 a. m. he was found dead in his bed.

A physician was called and during Saturday a coroner's autopsy was held, it being determined that Mr. Bennett's death was due to coronary arteriosclerosis.

Mr. Bennett was a native of Buffalo, N. Y., and was 48 years old. He came to Upland from Cleveland, Ohio, six years ago and since then had made his home with Mrs. Tracy. He was a veteran of the World war.

Surviving him are four sisters, Mrs. J. H. Tracy of Upland, Mrs. Wm. M. McGee of Los Angeles, Mrs. P. H. Noble of Hartford, Conn., and Mrs. Mary Driscoll of New York; and one brother, H. H. Bennett of Rochester, N. Y.

Funeral arrangements are not yet entirely completed. The service will be held in St. Mark's Episcopal church, probably Thursday morning, but that time is not definitely decided upon. Interment will take place in the military cemetery at Sawtelle.

Mrs. Novella Highsmith returned Monday to her work at Mac's drug store after an absence of several weeks, during which she submitted to an operation at San Antonio Community hospital. She will be at the store only part time for a while. Mrs. Highsmith is being extended a hearty welcome by her numerous friends.

Club and Legion Auxiliary members in Upland learned with regret of the death Sunday night of Mrs. Anna B. Garner, of San Bernardino, widow of the late R. F. Garner. Mrs. Garner had been ill for only a week. She long had been prominent in Woman's club activities and was a leader in the work of the American Legion Woman's Auxiliary, Y. W. C. A. and many educational and philanthropic organizations.

AUSTIN BURT IS CLAIMED BY DEATH

Ontario City Manager Stricken Suddenly at Home On Sunday

Austin Burt, Ontario city manager, is dead today, the victim of heart disease. Death came without warning at 2 o'clock Sunday afternoon. He had not been ill and the first indication of a heart attack was shown by him Sunday morning, when he complained that he had a pain on his left side.

An energetic worker, Mr. Burt had directed the vast affairs of the Ontario city government and municipal matters in a manner that won for him distinction and won for the city special honors. He was appointed to the position after wide experience in managing the Waterloo Power & Light Co. in Waterloo, Iowa.

Mr. Burt was 68 years of age. He resided at 406 West H street, Ontario. His survivors are his widow; a son, Richard G. Burt of Altadena, and a daughter, Mrs. John Findlay, of Laguna Beach.

Funeral service will be held at 2 o'clock Wednesday afternoon at Bethel Congregational church, with Dr. Chas. L. Knight, pastor, officiating. Cremation will follow the service.

Arrangements are being made by J. B. Draper & Co.

Girl Scouts Hold First Meeting on Campus at Chaffey

Among the first of the fall activities of the Chaffey area Girl Scouts, the reunion of summer camp Scouts held Friday afternoon and evening on the Chaffey campus, drew a large attendance, not only of those who attended the camp, but of many others, as well. Many members of the Dal camp and Camp Conifer staff gathered with the girls.

A swimming party was held at 4 o'clock and later supper was served. A number of games, singing and dramatics were enjoyed.

On the previous evening members of the public relations committee met for dinner at the home of Miss Ella Draper, 223 Plaza Srena, Ontario, in their first session this season. Much of the evening was spent in making plans for the coming two months.

Attending the dinner were Miss Helen Gillard, Miss Elizabeth Harris, Miss Clara Bissell, Miss Alberta Schafer, Miss Margaret Garrett, Mrs. Evelyn Loch, Mr. and Mrs. Earl H. Johnson, Miss Ella Draper and Miss Isadore Miller, a guest.

Mr. and Mrs. Nathan Selk, 708 Willow street, Ontario, are the parents of a son, born at the San Antonio Community hospital on Saturday.

TIGERS SET FOR OPENER ON FRIDAY

Fullerton Here for First Test Of Mitchell's Men This Week

The same linemen chosen on the Chaffey high school first team will be in the opening lineup against Fullerton high school in the opening football game of the season for the Tigers.

Coach Howard Mitchell was scheduled to direct his charges in light scrimages today and tomorrow in preparation for the strong visitors.

While his backfield lacks weight and experience, Mitchell is banking his hopes on the heavy front line. Due to illness, Harms, left end, will not see action but Youngman will be on the job in his spot. Schiro and Devin are tackles and Craig and Lewman are guards. Clark is center and Brennan is at right end.

The backfield includes Hickcox, Wooten, McGuire and Patterson.

The game will open at 3:15 p. m.

Unusual Lecture To Be Given Friday by Mrs. Clara Ingledue

One of the outstanding Townsend meetings of the year will be held Friday, Sept. 30, at the First Christian church in Ontario, where Mrs. Clara V. Ingledue of Cleveland, Ohio, will give her original and very remarkable chart lecture.

The meeting is being sponsored by the Ontario and Upland Townsend clubs and admission is free to the public.

Men in all lines of business, employed and unemployed men and women, professional people, college students and all young people, are especially urged by the presidents of the clubs and the committees in charge, to attend the meeting and hear and see Mrs. Ingledue and her unique colored charts.

Using this newest method of presenting a broad subject in a condensed and fascinating way, Mrs. Ingledue unfolds and adjusts the various chart devices, building rapidly as she lectures, until at the close of her address she has a complete stage setting, giving a general view of the entire subject.

A home-cooked steak dinner will be served by women of the church, beginning at 7 o'clock. The program will follow the dinner.

Reservations may be made in Upland with Mrs. H. R. Ludwig.

Thinks Time Is Ripe For New Automobile Style Cycle

Noted Viennese Designer Points Out That Better Cars Should Soon Bring Smarter Styles

BY MME. IDA JOLLES

All of us appreciate the constant change that is the rule in the world of fashion; too few, perhaps, realize what is behind such change, or what change marks the inauguration of a true style departure.

The fact is that the best style is the style that best expresses purpose. This is true whether you deal with automobiles or the important accessories of women's dress. Whether it's a car or a handbag, it must have logic as well as loveliness if it hopes to start a style.

Personally, I expect automobile design to embark upon a new road in the very near future. Too much attention, of late, has been going to the detail of decoration and too little to expressing the constant improvement that has been marked in automobile construction.

From all I hear, the car most likely to establish such a new style cycle appears to be the new Buick which will soon be announced. Reports that reach me point it out as something that derives its smartness from its improvement in functional design. That will be sufficient to make it a car that at last starts us on a new style cycle.

RED HILL AND LOS SERRANOS IN TIE

Golf Tournament Here Sunday Drew Gallery of Interested Fans

The golf tournament between the sharp shooting golfers of Red Hill and Los Serranos Country clubs on the Red Hill course Sunday resulted in a tie—each team winning one match and the third being a tie. The teams were composed of six men each and interest in the tournament was evidenced by the large number of fans from both clubs who made up the large gallery following the players around the course.

Scores were as follows: Los Serranos—Dud Smith, 79, Alex Follmer 73, Les Cavanough 78, C. Hough 71, G. Barnes 75, Almon Allen 77.

Red Hill—Veeder South 68, Dave Martin 72, Reg Cawsey 74, Jerry Bowden 74, Bud Taylor 71, Milo Vickery 77.

Results of the matches: South and Martin, RH, defeated Follmer and Smith, LS, 4 and 2; Cawsey and Bowden, RH, lost to Cavanaugh and Hough, LS, 1 up on the last hole; Barnes and Allen, LS, tied Taylor and Vickery, RH, in their match.

Veeder South turned in the outstandingly low score of the day—68, three under the score of Bud Taylor, the Red Hill club champion for several years. South's card showed the following scores on eighteen holes: 344 343 344, a total of 32 for the first nine, while on the second nine he had 36 strokes, as follows: 445 345 524.

Total scores for the two teams showed that the six Los Serranos golfers took 453 strokes to finish the 18 holes, while the Red Hill team made it in 436. An unusual feature of this scoring is the fact that while Red Hill had 17 less strokes than Los Serranos in the medal score, in the match play the two teams were tied.

Red Hill will play a return match at Los Serranos next Sunday and no doubt a number of local club members will go down to witness the match.

Cucamonga-Alta Loma

CLUB MEETS TONIGHT

Setting the time of meeting ahead for one day, members of the Cucamonga Service club will hold their regular session tonight, it is announced by Ben Vizio, president of the club.

The men will gather at the ranch home of W. B. Hutton, 891 Hermosa avenue, Alta Loma, for a steak bake and the meeting will be more of a social event than a business session. A large number of members are expected to attend.

STIPES HAVE DAUGHTER

Mr. and Mrs. H. R. Stipe of Cucamonga are the parents of a daughter born on Saturday at the San Antonio Community hospital.

News of Death of Glenn Busby Heard By Upland Friends

Upland friends of Glenn Busby, son of the late J. M. Busby and Mrs. Busby, former well known residents of Upland, have just learned of his recent sudden death in Los Angeles.

Mrs. A. C. Smithburn, friend of the Busby family for many years, recently returned from an eastern trip, during which she visited with Mrs. Busby's sister, Mrs. Clara Smith, in Anderson, Ind. Last Friday Mrs. Smithburn went to Los Angeles to convey a message from Mrs. Smith to Mrs. Busby, and she learned that the son, Glenn Busby, has passed away about two wesks previously. He lived in Upland with his parents for many years and had a great many friends here. A number of weeks ago he took his mother to Los Angeles to make her home with him and his wife.

Auxiliary to Sons Will Meet Tonight

Initiation of a candidate for membership will feature the meeting to be held tonight by the Woman's Auxiliary to the Sons of Union Veterans, it is announced by Mrs. Sadie Benner, president of the Auxiliary.

The meeting will take place in the Ontario American Legion hall and Mrs. Benner requests the attendance of all members.

Judge D. J. Burlingame is back in his court today following a leisurely motor vacation along the Pacific coast. He was accompanied by Mrs. Burlingame. For the first time he visited Sacramento and while in the capital city inspected the motor vehicle department. During his absence, Mrs. Clyde Duncan handled the court correspondence.

Etiwanda

ETIWANDA, Sept. 27.—Donald and Ellen Roe have just returned from a two weeks vacation trip by auto to British Columbia. They stopped off at Yakima, Wash., for a visit with Miss Dorothy Danskin, who is employed on a Yakima newspaper, and at Bremerton, where they visited Bruce Rader.

Mr. and Mrs. Hartman of San Dimas, friends of the Rev. and Mrs. J. H. Mallows, attended Sunday morning church services here and returned home with Mr. and Mrs. Mallows.

Mrs. H. S. Brubaker of Claremont was a Sunday guest of her sister, Mrs. Charles Donnelly, and family Sunday.

Mr. and Mrs. John Scott and daughter, Jean, accompanied Roger Scott to Corvallis, Ore., where he will enter Oregon State college for post graduate work. They plan to motor on to Portland for a visit with their aunt, Mrs. Julia LaBarre.

Miss Joyce Bostwick of Washington was a week end guest of her aunt, Mrs. Fred Burger, having motored down from the north with a party of friends. Mr. and Mrs. Burger took her to Colton Sunday morning where they were joined by her uncle and aunt, Mr. and Mrs. John Bostwick, and all motored to Glendale where she met other members of her party. They made a number of calls on relatives en route.

Mrs. Stanford Shaw (Leila Frost), who has been in San Diego caring for her brother, Jack Frost, who was injured recently while in football practice at San Diego State college, was a guest of her parents, Mr. and Mrs. John Frost, Sunday, and with her small daughter, Diane, who spent the past 10 days with grandparents. They returned to her home at Highland Park.

Mr. and Mrs. Frank Fetrow called on Miss Eleanor Alberts and Mrs. Kuhns at Alta Loma Sunday afternoon.

College Classes at Parks for Outing

Class activities at Beulah college were started with parties on Friday. The college classes were at San Dimas park for an outing as guests of their advisers.

Mrs. Henry G. Brubaker entertained the juniors and seniors, President Henry G. Brubaker the sophomores and Arthur Climenhaga the freshmen. Mrs. Climenhaga provided a picnic dinner and directed various games.

The academy seniors were entertained at the John Galvin park, the academy seniors at the home of Pauline Alderfer and the freshmen and sophomores at Ganesha park.

New Students at Chaffey Honored

"Big and Little Sister Party," annual get-acquainted event for new girls at Chaffey high school, will be held tomorrow afternoon in the girls gymnasium.

Miss Margaret Sanders, president of the Girls League, which is sponsoring the affair, is in general charge. Music during the party will be furnished by Murray Owen and his dance band. After each girl who is new to Chaffey has been assigned a "big sister" from one of the upper classes there will be several addresses of welcome from officers of the Girls League, and a varied program of musical numbers and dancing.

Mrs. Gwendolyn Graber of Anaheim was injured when an automobile driven by Argle E. Woods, Ontario, crashed into a telephone pole on Euclid avenue at Olive street.

NEW CRAFT CLASS FOR NIGHT SCHOOL

Adults Given Opportunity To Study Many Subjects At Chaffey

Leather work, new type pottery, metal tooling and working, and wood carving are some of the subjects to be taken up by the arts and crafts class at Chaffey People's College taught by Mrs. Mildred Ashleigh.

This class will meet for the first time at 7 o'clock Monday evening, October 3, at Chaffey junior college. Registration may be made at the junior college book store any time during the week as well as on the opening evening.

Besides the making of wood and linoleum blocks for cards and hand blocked linens, bead craft and crystal work, Mrs. Ashleigh is offering instruction in the building of a new type of pottery which needs neither glazing nor firing.

"The metal working and wood carving for book ends, chests and ornamental objects should be especially popular with men of the district," said Mrs. Ashleigh, "as all of this takes a strong arm and a steady eye."

All night school classes will meet for the first time on Monday and will continue throughout the year on Monday and Wednesday evenings from 7 to 9 o'clock, according to Dr. R. E. Berry, principal of the night school.

Other courses to be offered include those in commercial subjects, real estate law, English, modern languages, furniture making, the sciences, aeronautics, gymnasium for men and women, engineering and mechanical drawing, Americanization, and criminology.

Rev. A. W. Thompson, Nonagenarian. Talks During Celebration

Mrs. H. W. Hawkinson, 499 West Arrow highway, and her father, the Rev. A. W. Thompson of La Mesa, had the privilege of taking part in the very extensive golden jubilee program held Sunday, Sept. 25, by the First Congregational church at Buena Park in celebration of the fiftieth anniversary of the founding of the church.

The Rev. Mr. Thompson, who is 90 years old, was pastor of the Buena Park church from Nov. 1908 to Nov. 1909. He delivered the address at the evening service, his subject being "Walking With God."

Mrs. Hawkinson spoke on "The Sequoia" during the church school service at 9:45.

Ontario and Upland Young People Plan For Skating Party

Young people of the Upland and Ontario Methodist churches are sponsoring a skating party to be held Monday evening, Oct. 3, at the Pomona rink.

The party is planned as a benefit for the church work of the sponsoring organizations, which will receive a percentage of the proceeds derived from the sale of tickets at the rink to all who hold cards distributed by the church groups.

All young people of the West End communities are invited to attend and share in the pleasures of the evening.

Bob Cary of Ontario and Miss Mary Moore of Upland are in general charge of arrangements.

Meek To Discuss Football Situation

Guests at the open dinner of the Y. M. C. A. at Chaffey junior college this evening will be welcomed by L. J. Horsch, faculty adviser of the group.

Approximately 50 men of the student body are expected to meet to hear John Meek, who will draw from his experiences while on the varsity team of the University of California for discussion on the present football situation.

Coach Burt Heiser and his assistants, Jack White and Meek, are to be guests of honor. White, who moved to Upland recently from his position at Grant Union high school in Sacramento county, is a member of the chemistry faculty at Chaffey high school as well as assistant junior college coach. During the evening several musical selections have been arranged for by Melvin Hudson.

TITLE GAME WILL BE HERE FRIDAY

Ontario, San Bernardino Meet At Fourth Street Park To End Series

With three victories each, Ontario and San Bernardino will clash on the Fourth street park diamond Friday night for the championship game. Winner will take the title in the Central league.

Both teams have been surprises during the six games already played in the title series but last night's 10 - 4 victory for Hotpoint was about like local fans thought all the games would go.

San Bernardino, in view of its second-half performance, has been strong in the title series, making Cab Callowaay and his pals battle all the way.

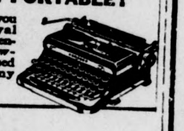

Calloway has gone the full route in every game while San Bernardino has had trouble in subduing the Ontario batters with Eddie Grubbs, the twirling mainstay. He retired from the box in the second inning in favor of Charbonneau.

Last night's game was at San Bernardino. A capacity crowd is anticipated for Friday night at the Ontario diamond in the last and deciding game in the series.

San Bernardino won 4 to 1 in the game played on the Ontario diamond last Friday.

Last night's contest was a free hitting affair. Sheehan, Hotpoint second baseman, got a triple and two doubles, while additional two baggers were hit by Wenger, Hanna, Tedder and Richardson.
